

## Best Stomach Remedy Free

It is an old saying that if the stomach is sound the whole body is safe, because so much depends upon the proper working of the stomach. Many persons find themselves with a disorder of the stomach which produces dyspepsia or a peculiar state of biliousness.

If you suffer from both stomach trouble and constipation you are on the way to a very serious disease. From just such conditions come appendicitis, rheumatism, skin diseases and similar disorders, because the waste matter that should have been expelled from the system through the bowels has found its way into the blood and vitiated it. What is needed at this point is not simply a violent cathartic tablet or salt, which usually does more harm than good, but a gentle laxative tonic like Dr. Caldwell's Syrup Pepsin, which people have been using for these ailments for nearly a quarter of a century. It cured J. C. Lamborn of Warrensburg, Mo., of stomach trouble of long standing; also William Voll, of 903 Belmont St., Louisville, Ky., who had the trouble for fifteen years.

However, if you have stomach trouble you want to know from personal experience what Dr. Caldwell's Syrup Pepsin will do for you. If so, send your name to the doctor and a free trial bottle will be sent you. You are asked to send for the free bottle, as the results from it will be the best recommendation of Dr. Caldwell's Syrup Pepsin. Then you will do as over two million people did last year—go to your druggist and buy a regular bottle at 50 cents or 11, according to the size you prefer. We could mention hundreds and hundreds of families who are never without it. You can not tell when some member of the family will need a laxative, and then at the time—should not be taking Dr. Caldwell's Syrup Pepsin.

If there is anything about your ailment that you do not understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, Monticello, Ill.

## The Church Shed Valdict y.

In the olden days whole families came with ox carts from ten, fifteen and twenty miles around to attend preaching services, which were held in the neighborhood.

Many are now living who can remember the stream of rig wch could be seen coming along the roads towards the church.

During the past year there have been seven or eight Sundays when the church sheds have been filled.

Some village people seem to think that there is little if any need of Church sheds, but it is different now days to get farmers to come to church on Sunday, unless some comfortable place is provided for their horses.

Thanks to the kindness and public spirit of the following, the sheds of the Methodist church have been put into quite comfortable and reasonable appearance.

## This And That.

Too poor to take a home paper? Well, that is a distressful condition. Buy a hen, feed her crumbs and waste from the kitchen and she will lay eggs to pay for a year's subscription; then work her up into a pot pie and she will pay first cost; so the paper will be clear profit. Repeat this process year after year, meanwhile learn wisdom and cease to be poor.

When you want articles of merchandise buy it of a reputable dealer, that the profit may remain to enrich the community. Send your money abroad only for what you cannot purchase at home. Home, home capital, and home pleasures are things to be fostered, encouraged and patronized.

Twixt twilight and dark, up near Manitou Park, a maiden sat combing her bright golden hair, when heated with roaming, all panting and foaming, there came up and squeezed her a big grizzly bear. It did not fright her, the bear did not bite her, she lay back and murmured: "O, still tighter dear."

This broke up old bruin he let off his wooing, sneaked back to the mountains and hid a whole year.

The other day a merchant in a near by town saw a farmer receiving goods at the station from a Chicago mail order house, says the fustcoat, Kas., Record. The goods were in his line and the same had been carried in his store for years. He approached the farmer and said: "I could have sold you every article you have there for less money than you paid the Chicago house, and saved you the freight, besides." "Then why on earth didn't you say so?" answered the farmer. "I have taken the Muscatow Record for years, and have never seen a line about these goods. The Chicago house sent advertising matter to me asking for my trade, and they got it."

READ WHAT MR. DEVEREAUX SAYS—(Romeo, Mich. 7-14-'09)

Dr. Rhodes company, Detroit, Mich.  
Gentlemen: When I started treatment with you on the 16, day February last I was nothing more than a living skeleton. I was troubled with Kidney Troubles and Ulcers, caused from Blood Poison, coming back after fifteen years and I had been doctoring with four other doctors for the last five years. The last doctor I took treatment with gave me up, he said there was "no help for me" but a friend of mine came to see me one day and urged me to go and see the Dr. Rhodes company. I was then so weak that I could hardly walk four blocks to take the car, and I only weighed 125 lbs. After taking two months with you, I gained 20 pounds and now I weigh 145 pounds, the most I ever weighed in my life before and I feel as good as I ever did, and am working every day. I thank you for what you have done for me as you have done just as you claimed you would. If you wish to use this letter as a testimonial, you are welcome to do so, as I wish to see every man cured that is suffering the way I was and from a disease that is counted incurable. Yours Truly,  
E. J. Devereaux a Romeo, Mich.
