What's even more luxurious than suede? Ultrasuede®

To begin with, it would fool a calf. Supple, rich, luxurious, with that special drape and feel that only suede enjoys. Except that Ultrasuede® eliminates some of the negatives. It cleans beautifully and easily, and wears remarkably well. We have this splendid new product in a sport coat, in chocolate or beige with tone-on-tone stitching at \$195... and in a shirt jacket with front and back yokes, in beige, chocolate, and slate blue at \$135.
