**This Early Warning Smoke Detector could save your life.**

- 80% of fire deaths are due to smoke inhalation — not heat or flame.
- Most fatalities occur at night while families sleep.
- Long before you feel a hint of heat, poisonous smoke attacks your lungs — smoke victims never wake up!
- GX 100 Smoke Detector sounds a sharp, piercing alarm before smoke levels become dangerous.
- 15 foot cord. Plug in between bedroom area and rest of house for round-the-clock protection.
