

An Indigestion Remedy Free

Many people who are otherwise healthy suffer from indigestion, dyspepsia. When you consider that the stomach and allied digestive organs are the most important organs of the body, it would seem that a disorder there is to be taken very seriously.

Dyspepsia cannot be the things you like; food sour in the stomach, then chronic constipation begins, or, as is often the case, you have been constipated all along, and the stools are forced and irregular.

But there is no use letting indigestion go until it becomes chronic and undermines your health. It is good advice to suggest to you that you go to your druggist and get a bottle of Dr. Caldwell's Syrup Pepsin, the wonderful cure for stomach, liver and bowel troubles. It is what C. F. Fowler, of Carson City, Mich., said and he is well today. Others who did the same and are cured are Ida A. Fortuna, of Grand Junction, Texas, B. P. Thompson, of Shenandoah, Ia., who actually considers that it saved his life. You can obtain a 50-cent or \$1 bottle of it in a liquid, acid gently, never irritates, and besides the laxative effect, contains exceptional tonic properties which tone the stomach and thus is what is actually needed in indigestion.

All sufferers from indigestion who have never used Dr. Caldwell's Syrup Pepsin can obtain a free test bottle by writing the doctor. It will be sent direct by the doctor, without any charge. In this way thousands have proven to their own satisfaction Dr. Caldwell's Syrup Pepsin is the very remedy they needed to cure their indigestion. When once you use this grand remedy you will throw violent catarrhs, flatulency, salts, etc. away.

It is something about you that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this. Write to Dr. W. B. Caldwell, 360 Caldwell Bldg., Detroit, Mich.
