PIONEER

8-TRACK HOME STEREO SYSTEMS

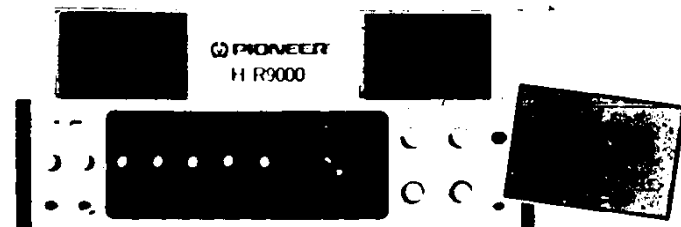

8-TRACK HOME STEREO SYSTEM WITH AM/FM STEREO TUNER

Glorious stereo from 8 track cartridges. Also brings you AM and FM stereo on the high quality built-in radio. Exceptional tape play through vertical head shift mechanism that insures positive tape head contact.

8-TRACK HOME STEREO SYSTEM WITH AM/FM STEREO AND FULLY AUTOMATIC CHANGER

An extra measure of superior Pioneer performance for your home. Beautifully designed system to make stereo enjoyment a three way experience. 8 track, radio and discs. Fully automatic record changer takes up to 8 discs at a time.

8-TRACK HOME STEREO RECORDING SYSTEM WITH AM/FM STEREO TUNER

A highly versatile system with everything you could want for fine quality recording of 8 track cartridges. Provides visual sound monitoring while recording through two VU meters. ALC controls the recording level automatically or adjust the recording level manually.
