What's a nice skier like you doing at a place like Timberlee...

I like to ski and that's what I do at Timberlee.

There is a slope for a variety of challenges or just relaxing using Chairlifts, poma and rope tow for beginners. We'll get you to the top. There is a pro shop for rental and repairs. For open ski, a lot of fun, a lot of fun, a lot of fun. There is a choice of two bedroom apartments or studios with complete kitchens, linens and modern designer furnishings. Regular motel accommodations are available too. At the Hill House, it's dinner and lunch at the Gold Brick Saloon or the Farmer's Daughter Cafeteria. You don't have to worry about fancy dress and a pre-planned carnival atmosphere. We make our own fun at Timberlee. I'm a meat and potatoes man and I like my skiing the same way.

Vandalism reduced in Clarenceville

The Clarenceville "vandalism preventive incentive program" has been working, according to school district Business Manager Edward Salitz. Salitz told the school board progress has been made in at least bringing vandalism under control, largely with the aid of a new cooperative community effort.

Under the program, persons are offered rewards for information leading to the arrest of those who damage school property.

A "vandalism fund"—money kept on hand to repair the damage caused by vandals—has been maintained for each school since February. The fund has been cut one-third, from \$3,300 to \$2,300.

The largest percentage decrease was at Grandview Elementary, 19614 Louise, Livonia.

The main target for vandals is **Learning Center** to hold open house.

Open house for the Early Learning Center of Farmington will feature an address by Dr. Glen Chaffee on "Making the Most of Your Children's Childhood" 8 p.m. Friday, Oct. 24, in the John Wesley College Farmington Hills Center educational building, 27711 Farmington Road, Farmington Hills.

Director of the Metropolitan Guidance Center, Dr. Chaffee earned his Doctor of Philosophy degree in counseling from Michigan State University. In addition, he has four years of post-doctoral study at Merrill Palmer Institute in Detroit. He is a licensed marriage counselor and a certified consulting psychologist.

The Early Learning Center is sponsored by the John Wesley College and the Metropolitan Guidance Center. Its curriculum focuses on the individual needs of each child, helping the child to investigate his world and grow physically, mentally and socially.
