

Ferndale-Southfield ready to battle

Ferndale High's giant killers, who knocked off previously unbeaten Royal Oak Kimball a week ago, will be Southfield High's football homecoming opponent Friday night in the top battle of an area card that shows several teams still holding title chances.

Southfield's Blue Jays, who now are tied with Ferndale, Kimball and Hazel Park for the top spot in the Southeastern Michigan Association—

all at 2-1, could guarantee themselves no worse than a co-championship by winning their next two starts.

However, that would demand the season's best back-to-back performances by Coach John Finlayson's charges, for right on Ferndale's heels will come Kimball as the next opponent.

That clash Oct. 24 also will be on Southfield's own field. Overall, Kimball is 4-1 to date. Southfield, Ferndale and Hazel Park all are 3-2.

Wrapped in homecoming glamour, Southfield's game with Ferndale starts at 8 p.m. Friday and probably will attract one of the year's greatest crowds as the Blue Jays seek to make up for last week's 7-0 loss to Hazel Park.

FARMINGTON HIGH also will be trying to keep its championship hopes alive Friday night when the Falcons travel to Pontiac Northern for an Inter-Lakes League game.

Farmington, Livonia Stevenson, Walled Lake Central and Waterford are knotted on the top with 2-1 league records, with the Falcons fighting for at least a piece of their first league title since 1938.

While Farmington is at Northern, another key league battle will be taking place as Stevenson and Walled Lake try to eliminate one another from the race.

Farmington's final league opponent will be Waterford a week hence, and here's another case where double wins would assure the team from this area of at least a tie for the crown.

SOUTHFIELD-LATHRUP will invade Utica Eisenhower in the third Friday night game for area teams, and in effect these two clubs are battling for second place in the Metro Suburban Association behind unbeaten and state-ranked Royal Oak Dendron. The Chargers and Eisenhower have identical records of 2-1 in the league and 3-2 overall. However, Southfield-Lathrup can not afford a loss because the Chargers are certain to be underdogs as they still must go to Royal Oak to face Dendron.

Lathrup goes into the Eisenhower game having won its last two starts over Birmingham Groves and Rochester Adams, the last an impressive 20-0 shutout.

FARMINGTON HARRISON is considered a solid favorite to do away with winless Walled Lake Western on the Hawks' home grounds Saturday afternoon.

That accomplishment would run Harrison's record in Western Six action to 4-0 and its overall mark to 5-1 as the Hawks under Coach John Herrington continue their drive toward a second straight league championship.

The big showdown for Harrison will come on Friday afternoon, Oct. 24, when the Hawks invade the fair of title-minded Livonia Churchill, which also stands 3-0 in the loop and 4-1 for the season.

Churchill's opponent this week Friday night will be Plymouth Canton, an in-and-out club which just might pull an upset as the Chiefs did in beating Churchill last year. The Plymouth team will be playing before its own homecoming crowd as added incentive.

NORTH FARMINGTON may also profit from homecoming excitement Saturday afternoon as the Raiders try to improve their North Suburban League mark at the expense of Redford Thurston.

North's 0-3 league and 1-4 overall marks are deceiving, for in one touch down losses to Livonia Franklin and Garden City East the Raiders lost to the league's co-leaders. This is the weekend they can begin to turn things around.

If there's a football team in the area that's considered far better than its 1-4 record, it is North Farmington, which will celebrate homecoming Saturday against Redford Thurston. This is an example of Raider defensive strength as North's linemen storm through on a Garden City East back last week. (Staff photo by Bob Woodring)
