and time screen remain intact.

NEW... and it's a Pulsar®

when you flick your wrist.

Pulsar flashes the time

It's hard to hide your pride when you show this new Pulsar  
to your friends.

Just a flick of your wrist flashes the time in glowing red  
numerals. Push a button, and it shows the exact second.  
Push another, and Pulsar tells you the month and date.

And after the first thrill of ownership is over, you'll dis-  
cover how superbly trouble free and accurate it is, year  
after year. Stainless steel with matching band, \$295. 14  
kt gold filled with matching band, \$395.
