FARMINGTON, MICH.

DECALOGUE FOR FIRST VOTER

Drawn Up by Boeton Clergyman with the Object of Encouraging Civic Virtus.

A meeting was held at Faceuli ball. Roston, recently for the purpose of "eccouraging immigrants in taking a practical interest in the civil affairs of the country and of the cities in which they live." Among the members of the Boston Equal Sufrage association, under whose auspices the meeting was hold, was Rev. Mr. Bithler, who presented for adoption this document, which he called "in first voters' seealogues." The love thy country family and position of the country family and fourth generation. So Thou shall not take the name of patriotism in vain, nor use it to hide thy selfash metives. I Remember the day of election to keep \$\mathbb{Rody}\$ is Romor the sanctury of the basine that the days of the country family in the country family in the country family family in the country family fami regatives of a freeman. 7. Thou shall not addicrate the purity of circle life by eatering politics for sain. 3. Thou shall not encourage public servants to steal by the holdference. 3. Thou shall not let greed for political reward boar faine witness earlies the spirit of particular, 18. Thou shall not every the public of particular, 19. Thou shall not covet a public office which thus art not fit to fill."

## ART AS VIEWED IN ENGLAND

Swinburne's Social Connections Rather Than His Exquisite Verse Gave Him Consideration.

Booth Tarkington, in his brilliant fashion, was talking about the poot Swinburns.

Swinburna.

They buried Irving in the abby."
he said, "They let Swinburne be buried
without any official recognition whatover. Yet Swinburne was to Irving
as a diamonal is to a pubble. Actors
like Irving seep up --rery year or two,
but there was never a stuger like
Swinburne. Netther Colertifies nor
Shalleys gor Shakespeare could match
that magis.

Swinburne. Neither Coleridge nor Shelley age Shakespeare could match that mass.

"The English didn't appreciate him Caly in France is art appreciated. The English idea of art is well portrayed in a stery Mrs. Henniker Heston semetimes tells.

"Mrs. Henniker Heston, a connection of the poorts, was showing to some ladice miniatures of Swinburne's titled relatives.

"One of these ladice, as she studied a miniature of Lord Ashburton, turned in miniature of Lord Ashburton, turned in the studied in the

his works."

Net. Perfoct, But Try to Ba.

R may be safely said that no men are moge painfully and constantly conscious of the imperfections and short-comings of our newspapers than those who are angaged every day in the task of their fabrication, and yet it must be said to their restrict that once are more conscious of their responsibility to the public and none more conscious of their responsibility in the public and none more conscious of their responsibility in the public and none more conscious of their responsibility in the public of more conscious in their purpose ta interpret accurately and fairly the events that demand critical attention. Newspapers are imperiese, and doubtless the Martian press; could teach the best of American newspapers very most that over in the indestry of critication was the great body of the press southed by a more general determination to tail the truth and to interpret according to its best intelligence the significance of passing svents.—Brooklyn Times.
