Liquifire Snowmobile

Nothing runs
like a Deere

Two John Deere liquid-cooled snowmobiles turn on the performance, holds down the heat, muffles noise levels, too. Front-mounted 360 or 440 cc. road-valve engine is set low for superb handling. Wide 32-inch ski stance and long-wheelbase provide stability. CD ignition for sure-fire starts. Disk brakes for sure-footed stops. Surface-gap plugs. Adjustable skid-rod suspension. Black with silver accent panels.
