INTERNATIONAL HARVESTER

800 CUB CADET[®] WITH 36" SNOW THROWER NOW ONLY

\$1870

The International Snow Thrower and Cub Cadet[®] whatever winter throws at you, you can throw right back. Through the deepest drifts and heaviest snows. Power comes from the Cub Cadet's big engine with all the pump needed to gobble hungry bites of

snow and shoot it where you want it along a 180° arc. Direct on cutting height, power engage/disengage controls. All the controls in your hands. Start quick and finish fast with a Cub Cadet with snow thrower attachment. Check them over now.

Model #76[™] CADET LAWN TRACTOR WITH SNOW THROWER AS LOW AS

\$1340

The Cadet lawn tractor equipped with a snow thrower is a winter time bargain that keeps giving economical value all year long. Because the 36" rotary mower shown below is standard equipment.

Our snow fighter takes a big 36" bite out of deep drifts and shoots the snow anywhere you want it along a 180° arc.

The quality comes from IH construction. With value points like sealed bearings, replaceable carbon steel augers, and controls—chute angle, cutting height, power engage/disengage—operated from the driver's seat. It's all designed to make the going go faster, the finishing go easier.

CUB CADET[®] 1450 WITH 42" 4-WAY HYDRAULIC BLADE NOW ONLY

\$2460

Four-way hydraulic front blade and Cub Cadet. So whatever winter throws at you, you can push right back. Actually, the tractor blade combination does all the pushing. You just nudge the hydrostatic control to move forward, backward or stop. Or move the dual lever hydraulic controls to raise or lower the blade and to set the blade angle right or left. Blade comes in 42" and 54" sizes. ~~It's~~ started quick and finish fast with a Cub Cadet.

Happy Holidays!
