## 3M Cloud Library Sites:

### Farmington Community Library Application:

This is the direct link to our Library 3M site. You can search for titles, checked out and check in, and request or cancel holds just like in the Library catalog.

### 3M Cloud Library Site:

This gives you the Overview, How it Works and Support tabs to use when on the 3M Cloud Library site. You can search and checkout from both the FCL catalog and the 3M Cloud Library site. I would suggest you familiarize yourself with all that's on the site and view the videos and FAQs.
