

HOW THIS WORKS...

We've created this memory aid to help you keep track of all the books you read (or listen to) and programs you attend. To log your activities, go online to www.farmlib.org/teen-scene and click on the Libraries Rock logo! Make sure you log everything by 5 p.m. on Sunday, July 29 to be fully entered for the grand prize drawings – and the finale party! We will also have weekly prize drawings based on every 5 hours logged.

Read and/or participate at least 30 hours this summer to be eligible for the Teen Finale Party at Zap Zone Family Fun Center on Thursday, August 2!

TEEN SUMMER READING CHALLENGES

Use hashtag #FCLSummerChallenges to share pictures or videos from these challenges! You can also DM or PM us @fclteenscene, and we'll share them on our accounts (with your permission). Just want to show them to Shira and Jennie? Message @fclteenscene, and let us know it's for our eyes only!

1

Booklover's Beat Achievement

Write a poem, rap, or song about your favorite book, character, series, or genre! Share a copy of the lyrics with us. Even better? Combine this with the Video Master Achievement and share the video with us!

2

Build a Soundtrack Achievement

Soundtracks to movies really make the film - how about creating a soundtrack to a book? Pick a book you read this summer and list 6-8 titles that you think go with the story. Send us a list of the song titles and authors, or create a virtual mixtape or playlist and send us the link!

3

Geological 'Gramming Achievement

While you're out enjoying the great summer weather, keep your eye out for unusual or interesting stones or rock formations. Snap a pic, and share it with us!

4

This one's easy, right? Visit the library and attend one of the teen programs! Oh yeah - and have fun! Tell us which program you attended.

6

Keep in Touch Achievement
