

Computer Use and Printing at the Farmington Community Library

- Computer sign-up at self service stations provides fair access to computers in both the adult and children's areas at busy times, in one-hour time blocks while others are waiting.
- All computer users will need a library card that is active in our system. Those who live, work or attend school in Farmington/Farmington Hills may use a Farmington Community Library card. Those who live in the services area of The Library Network (such as Livonia, Novi, Southfield, W. Bloomfield, etc.) and MichiCard holders may use their own library card. (Please have your card number entered into our system at our Circulation Desk. You will need to show a photo ID.)
- Both black and white printing (\$.10 per page) and color printing (\$.50 per page) can be retrieved from the print release stations, which accept \$1 and \$5 bills.
- WiFi is available for laptop users in both library buildings.

Support Materials Available at the Farmington Community Library

- Headphones can be checked out for in-library use from the Circulation Desk.
- The following are available for purchase at the Circulation Desk:

Ear Buds	\$1.00
3½ " floppy disks	\$.50
CD-RW disks	\$1.50
