OPPORTUNITIES AROUND IN REAL ESTATE

Did you know that more ladies and men, who have never sold anything in their lives, are making more money in Real Estate than ever before? Women whose families are related, and have had a desire to broaden their scope of life, as well as use some of those luxuries are doing particularly well. Also men who have had good business backgrounds and have been disrupted are doing well.

If you want to earn from \$10,000-\$20,000 per year, you will want to associate yourself with one of the leaders in the field. Call Mr. Miller at KE-7080. Next class in Real Estate starts soon.
