THE REVOLUTIONARY TED'S.

There was once a time when our forefathers had no freedom of choice. Dinner out meant going to one of a few places where food was served. Then came Ted's Old Town Inn. Revolutionary. The wonderful system that we know today was born.

Today we recognize the efforts of those who had the vision to give us great atmosphere, four unique dining rooms, top entertainment and a pretty fine cocktail. America needs Ted's. It's a matter of our own independence.
