Topping off

Getting its crowning glory is the new "Chalet" of Farmington Hills, which is slated to open soon, on Grand River east of Orchard Lake. The catering service is owned by Paul Manz. The building will also house Aloha Tours, a travel agency. (Photo by Ralph Evert)

Betsey Bundy of Farmington watches George Lotvenas, a New Horizon's trainee, silk screen a pattern on a shower door. Mrs. Bundy was honored Feb. 13 for her volunteer work in helping mentally and physically handicapped persons prepare for and find employment. Three New Horizon workshops, including one on Osmus in Farmington, handle work for the business community. New Horizons of Oakland County, a Torch Drive Agency, can be contacted for job projects by any firm.

HIGHLAND and EASTLAND CENTERS

Area coeds added to dean's list

Several Farmington coeds at Madonna College, Livonia, were named to the first semester dean's list. Debbie and Diane Jones, Farmington High freshmen; Lorna Lemus, a Farmington freshman; Barbara Freeland, Rita Kamasaki and Mary Shover, Farmington Juniors; and Marvin Shuler and Janet Strasse, Farmington seniors, were placed on the list by Sister M. Francine, dean.

Lonie included on dean's list

Betsy Lonie, daughter of Mr. and Mrs. Donald Lonie of Farmington, was one of 144 students who were included on the dean's list for the fall semester at Taylor University, Indiana. Ms. Lonie is a freshman at the school.

Security Plus...

Enter this private walled estate by first securing clearance at its elaborate Gatehouse entrance. When visiting friends, the kindly (but firm) "keeper of the gate" first checks with residents to assure your expectancy. He permits only those domestic services, deliveries and repair men cleared by residents and/or management. Your security is our business at Hunters Ridge, along with the comfort, conveniences and services synonymous with estate living. Rentals from \$340.

Before you know it,
your Johns-Manville
8-11 foot faced insulation
will have paid for itself
many times over!

Just
\$5.55
per Roll

Johns-Manville 8-11 foot faced insulation is the most efficient insulating material available. It's made of glass fibers, which are spun into fine strands and then matting together to form a dense, non-combustible barrier against heat and cold. It's also resistant to moisture, mold, and mildew. And it's easy to install. Just roll it out and secure it with staples or nails. No special tools or equipment needed. For more information, call 1-800-368-5623 or write to Johns-Manville, Dept. 100, P.O. Box 100, Denver, CO 80201.
