

John Anthony's white coat, shirt and pants exemplify spring essentials. They all go everywhere, together or apart, and are definitely right for a luncheon meeting at The Community House in Birmingham.

J is for jumpsuits

What's everyone popping into this season? The jumpsuit, because it's at home practically anywhere. And it has that zippy, lighthearted look you love. We've got so many jumpsuits for you to try on, we can't begin to show them — so here's an example or two. Left: our sailor collared jumpsuit in white or navy chino, or in navy denim, at \$36. Right: our halter V-neck jumpsuit in navy or white denim at \$29. Both in sizes 5 to 13. But see the whole wonderful collection at Her Place. J is also for jumping for joy.
