

Spring VALUE!

THE LANCASTER

A big, almost square 16 1/2 by 14 kitchen gets its flair from an island containing a post light-supported table and a Jean-Air range, which needs no hood. The island is angled to create convenient work triangle for housewife.

Spring

PLANT A FULL GROWN TREE

Folks, I have specialized in Shade Trees and have supplied thousands of street plantings, industrial, schools, churches and residential. I feel that the right selection of a shade tree is perhaps the most important decision that a home owner is faced with in landscape planning. You may select your tree, top it and have it planted at your convenience.

CHEAP! "NEAT!"

YOU HAVE TO SEE THE NEW BLUEBIRD LAWN COMBER AND CATCHER TO BELIEVE IT! THEN YOU'LL WANT TO RENT IT!

"WIPE!"

"WWW!"

Like the new towable BlueBird, the new catcher equipped BlueBird is built rugged for rental and professional use. Features are 5 HP or 7 HP engine, heavy duty 8 cu. ft. foldable polypropylene catcher, separate platform of light but strong A.B.S., unilever height adjustment, rotor disengaging clutch. The separate platform stays attached to the machine when you empty the catcher, making a light load for the operator to lift.
