

Happy User

PAINTS SALE

on Friends of mine used Minne-
 my sota Paint on their house. It
 soap has held up well and looks
 good. Their house has wood
 siding, but mine is aluminum—
 you know, the kind they said
 would last a lifetime. It doesn't.
 What kind of Minnesota Paint
 can I use?
 Robert J. D.

The thing I like about Min-
 nesota is the color selection
 available, whether to
 paint, house paint or
 wood stains. Not only
 a wide variety of ready
 to use paint system
 available, but also a
 wide variety of ready
 to use stain system
 available.

yourself. The
 most important thing for me,
 quality and price, is
 application. Using
 Minullo Wall Paint on
 walls, I was able to paint all
 bedrooms in my house on
 weekend! It went on smooth-
 ly, one coat with little or
 no brush or roller. And,
 it was fast drying—
 my furniture
 in rooms the

 isn't as easy as you
 say. I wish it were, but at least
 you made a big step toward it
 when you sold me latex semi-
 gloss for my kitchen. It washes
 as good as your oil type and
 looks about the same plus
 cleaning up with water is jus-
 great.
