wager has the 1:98 defines Freeway will have a reserved lane for bases and other high occupacy withelias. A second of the second

"But here are have in opportunity to establish the concept of a reserved lane as the freeway comes on line."

"ITS NOT JUST for bases," said Krause, "but for high eccupancy vehicles A car pool routid be infrued as a vehicle carrying, these or h. are persons. "We did some study work on the idea during 1925-14, in the first phase of the Jeffness from downown. The result was that it looked as if it was reasonable, and that it could be appropriate once the Jeffnes was opened past Southfield Road."

Top scholars

Michigan State University leads the Big Ten and all other public universities in the number of Rhodes Scholars named in the past five years.

MICHIGAN ONCE had a plan for such se of public transportation on a freeway

Thus, persons who conserve rue by car sying several riders are rewarded with a lower fee.

But that idea is speculation. The immediate project is a reserved bus lane on Jef frees. Krause said persons and city coun-cits who like the idea can urge the high way department and SEMTA to expedit
