Chrysler promotes local executive

Gordon C. Cherry of Farmington Hills has been named manager of truck product planning for Chrysler Corp.

He joined Chrysler as a student engineer at Chrysler Institute in 1957, became a design engineer for Dodge Trucks in 1958 and has held many positions with the company since. Most recently he was manager of special studies and projects in the marketing services office and manager of Far East and African liaison and import product planning.

He graduated from Michigan State in 1954 with a BS in mechanical engineering and received his master of automotive engineering from Chrysler Institute in 1959 and an MBA degree from the University of Detroit in 1962. He and his wife have four children.

Take your pick

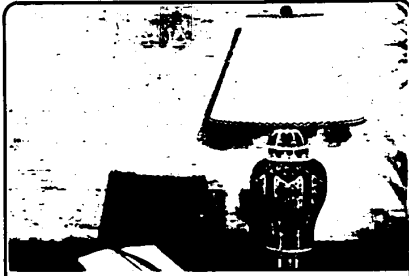

This pencil drawing by Cindy Kulonowsky of Detroit, which won a first national scholarship award, is part of the student art show which continues at Mercy High School in Farmington Hills through Sunday. The 1,000 or more paintings and sculptures are on display in the school gym, Eleven Mile and Middle Belt. (Photo by Cyd Abatt)

Mrs. Griffiths receives state appointment

Former Congresswoman Mrs. Martha W. Griffiths of Farmington Hills was recently appointed to a four-year term on the Social Services Advisory Council.

The eight-member council is the highest level advisory group in the department of social services. It meets regularly and participates in the development, implementation and operation of social services programs, policies and procedures.

Gov. William G. Milliken appointed Mrs. Griffiths this month. She will serve until May 2, 1980.

Mrs. Griffiths was a member of Congress from 1955-1975, a member of the Michigan House of Representatives from 1945-1952 and a judge of the Recorder's Court in Detroit in 1953.
