# Bridge

Bernie Lacy and JoAnn Steigmeyer are not strangers to the winners column. Their names appear regularly. The girls have been playing tournament bridge only a few years and are progressing rapidly toward the life master status.

They are lucky, but it takes a little luck to win. The secret is often, not giving anything away. In other words, accept the gifts, but be careful not to make a mistake.

The hand in the diagram is one of their favorites from the Great Lakes Regional played at Grand Rapids last weekend. Their win in the qualifying round of the Open Pairs gave JoAnn her first gold points.

West led the six of clubs. Bernie decided to open the bidding with three no trump. She had all but game in her hand.

When the club ten won the opening lead, she finessed a spade. Cashied the ace, king of hearts and led a heart. West played the jack, cashed the ace of clubs and now made the mistake of leading a diamond.
