Adding room outdoors

With a little imagination, this townhouse's ordinary patio has been turned into an attractive extension of family living space. Figures compiled by the American Association of Nurserymen show that this kind of landscape improvement—a window (at left) was made into a door; a deck was added; and walls were surrounded with growing greenery—adds about as much to the value of a home as the improvement's cost.

great buys

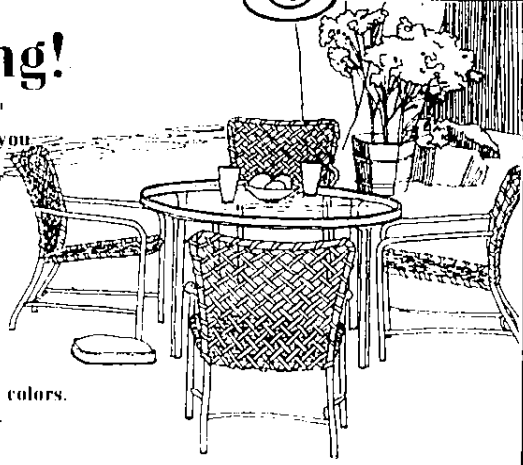

Get into Spring!

With patio furnishings and save 30%

During our Spring 'Early Buyers Sale', you can save up to 30% on patio and porch furniture. Choose from a large selection of wrought iron dining and seating groups by Meadowcraft, Woodard's, Carolina Forge, Famous Brown-Jordan and Thinline aluminum groups, Samsonite's cool contemporary body glove collection, Luxurious redwood by John Hancock.

PLUS long lasting California Umbrellas in a wide variety of styles and colors. Rattan, Wicker, Cushions and accessories.
