

## Lawn's of Ivy

The ground cover of handsome English ivy on this sloping yard relieves lawn-care problems. But it's more than an easy way out of grass-mowing. About 180 million acres of land lose topsoil each year through erosion. On steeply sloping land, English ivy or other ground cover is an important "green survival" step to preserve topsoil.

# Unique and Useful

**Self Service Storage Shelters**

- YOU STORE IT
- YOU LOCK IT
- YOU KEEP THE KEY

Perfect for anything you want to keep in a safe place

Sizes 5' x 10', 10' x 10', 10' x 15', 10' x 20' and 10' x 30'
