Ready, set, SOW

Seeds find excellent sites to sprout in crevices between chunks of loosened soil. Break up any crust that has formed; this will give seeds a better chance to get started, providing a luscious lawn this spring.

THE REVOLUTIONARY "HIGH VACUUM" RIDER.

A CUT ABOVE THE REST. The new Snapper "High Vacuum" Riding Mower not only gives your lawn an incredibly smooth cut, it also vacuums up grass, leaves, twigs and other light litter. So you can keep your lawn looking great year round.

IT TAKES A LOT OF GRASS TO FILL THE BAG-N-WAGON, BUT VERY LITTLE EFFORT TO EMPTY IT. The optional Bag-N-Wagon holds an unbelievable 30 bushels. So you may be able to mow and vacuum your entire lawn without stopping to empty. And when it's finally time to empty the Bag-N-Wagon, you'll find that it's quick and easy to do.

Get the revolutionary "High Vacuum" Rider at your Snapper dealer. And start the revolution on your own lawn.

SNAPPER

FAST.

Snapper fast means you get through fast.

Here's why:

- Grass bag is between the handles for tight spots.
- Extra large grass bag — holds 2 1/2 bushels.
- Powerful vacuum action — for an extra clean lawn.
- Rear-wheel drive for greater traction. Get yours today. Be Snapper fast.
