# EARN 9% INTEREST

## WITH SUBORDINATED NOTES FOR AS LITTLE AS \$500, MATURING IN 7 YEARS WITH INTEREST PAID QUARTERLY.

THESE NOTES ARE NOT DEPOSITS, ARE NOT INSURED BY THE FEDERAL DEPOSIT INSURANCE CORPORATION OR ANY OTHER GOVERNMENT AGENCY.

### Available only at CNB.

For the first time in the Detroit area, you can now purchase from a major Detroit bank Subordinated Notes which offer a constant 9% annual return for the 7-year life of these notes. This issue is a direct obligation of the bank, is unsecured, and subordinated to the claims of depositors and other creditors.

### More interest to build your future on.

With CNB Subordinated Notes, you can invest in amounts as low as \$500, and in increments of \$100 beyond that.

To see how profitable that can really be—especially when you compare it with other ways of earning interest—simply multiply that annual 9% by 7 years.

### And your interest is paid quarterly.

What's more, CNB will pay you your interest.

quarterly. And if you wish, we will deposit your interest in an existing CNB savings or checking account. Or you can have an interest check sent to your home each quarter.

### Subordinated Notes are easy to buy.

CNB Subordinated Notes can be purchased right in your own neighborhood, because they're available at any CNB office. There are no commissions or brokerage fees associated with this type of investment.

You may do this with cash, by check or money order. We recommend you investigate the suitability and attractiveness of CNB's Subordinated Notes soon.

### Using the Notes as Collateral on a Loan.

Even though these notes are not eligible for use as collateral to secure a loan from City

National Bank, they may be eligible for consideration as collateral at other banks.

(Although there are no limits on the face amount of Subordinated Notes any individual may purchase, the total amount of notes offered is \$14,000,000.)
