WINE OF THE WEEK
BORDEAUX
of FRANCE

The wines of Bordeaux were already known back in the days of Julius Caesar, 20 centuries ago. Roman poets, among them Ausonius, the last great Latin poet, sang their praises.

The wines of Bordeaux range across a broad spectrum from the most delicate red wines in the world, to sweet white wines, the world's biggest, richest dessert wine made purely by nature.

MEIJER SUMMER WINE SALE featuring wines from France and Italy, the two largest wine producing countries in the world. See our selection at special prices. Available in both the Party Store and Grocery Departments.
