GETTING READY TO SPEND THE \$1,000 she won during Wonderland Center's recent "shopping spree" festival is eight-year-old Jill Marie Fudge. Shown handing the Garden City youngster the gift certificate is Jerry Brown, of the Livonia Jaycees, co-sponsors of the event, while Frank Golle, president of the Wonderland Merchants Association smiles approved. Jill announced she has some definite ideas on how she'll use the gift certificate. First thing she's going to get is a refrigerator for her grandmother who is also her guardian — and who entered Jill in the contest.

A quality mattress is designed to provide you with long-lasting conduction. It requires a minimum of care, but by four restatment will assure the your mattress serves you. Ill.

Here are the easy mattress-care ruley suggested by the Spring Alf A altress Company.

Spring All Autress company.

A new mattress should be turned, eds for end and side for side, soge a month for the first six months. After that, turning the mattress conce or twice a yeaf. Is sufficient. Unless it's the reversible kind with a diff great firmness on each side of a foam mattress manually done if he ed to be turned.

ALWANS SE a mattress pad to project the bedding from dust and dix, it's also a good idea to set of a cover on the box spring.

Lusuder he mattress pad once a mouth At the same time, open the windows and air the mattress for an hour or so,

Go over the mattress once a month with the uphoistery attachment of your vacuum clean-er or a whils broom to remove surface soft. Give box springs the same treatment at mattress-turning time, Never beat a mattress and never bend or roll it when turning or moving.
