"Sears Warehouse Outlet Stores are intended to provide Sears customers with specially priced merchandise that is generally limited in assortment: usually 1, 2 and 3 of a kind, many discontinued models, some crate marked, some demonstrator models, some floor samples and some brand new. Although there usually is a wide selection of furniture, appliances, home entertainment and home improvement values, not all items are necessarily listed and not all kinds are always in stock. Visit your nearest Sears Warehouse Outlet soon and see the fine values available."
