"CAREER OPPORTUNITIES"

Technical Specialists
Two new challenging positions are open in the Heller Research Center, Northville Michigan for experienced technical personnel.

Automation and Controls
This position requires a man who has outstanding mechanical ability and 8 to 10 years experience in automatic feeding and handling devices and a thorough knowledge of the application of electronic and automatic controls to the system. Must be capable of furnishing workable sketches to design teams. Great opportunity for a large variety of assignments involving the manufacturing of a wide range of products.

Dies and Cutting Tools
This position requires a minimum of 10 years experience in forging, stamping and metal removal operations. Must have proven experience in the application of high alloy steels, tool steels, and carbides, to high production requirements. Must work with top manufacturing personnel and machine operators with equal effectiveness in a variety of plants.

If you are seeking greater job satisfaction through the complete use of your imagination and engineering capabilities, you will be interested in contacting us immediately. Please send resume to the Industrial Relations Department, Federal Mogul Corporation, 26555 Northwestern Highway, Southfield, Michigan 48075.
