4th Anniversary

TO ALL OUR WONDERFUL FRIENDS AND NEIGHBORS.

Do you know that we are celebrating our Fourth Anniversary at the Compton Village Motor Inn? We want to take this opportunity to thank all of you for your kind patronage these past four years.

For those who have not yet visited us, why not give us the opportunity to serve you? You will be dining in one of the country's top, nationally recognized restaurants.

Your host, Mitch Housey, takes great pride in serving the most wonderful food in the most delightful atmosphere. Luncheons, dinners and late snacks, Monday through Saturday, closed Sundays.

Entertainment and dancing nightly, featuring Billy Marr at the piano, one of America's most talented pianists, and the sensational Gaucho Four... and... the star of our show, television and recording artist, Miss Ce-Ce Grant. Come in now, won't you? You'll enjoy it!
