

Foreign Contributors Will Appear Friday

FARMINGTON youngsters received an assist from the Farmington District Library which prepared a display section of books on the theme.

Last minute preparations for the parade will include spraying the grounds and surrounding woods at Wooddale School for mosquitos on July 3.

The parade units will assemble near the pump house in Kendallwood at 9:30 a.m. July 4.

The parade will begin at 10 a.m. and follow a route north and west on Thorpe Drive and then north on Poppermill to Wooddale School.

A refreshment break will be followed by the "Yankee-Doodle Dandies" ceremony, a birthday party for children in the two subdivisions born on July 4.

Quoting Senator Hart about the Fourth of July, during his oration here a year ago: "The country is not run by those who make Fourth of July speeches but by those who listen to them."

The senator added from the lips of the founding fathers to reassure his audience that they were "ordinary men."

They spoke of Kendallwood and Colony Park (where Fourth of July has some meaning; some impact on the young).

"Citizens don't normally do things like this or have such a beautiful place to observe national holidays." (Speaking of course, of the Farmington area as a whole).

"Certainly, this is unique in the state and the country," he was heard to comment and then enthusiastic applause greeted him.

Young and old shook his hand in appreciation for he had their respect—the respect of young and old!

This year's speaker at the Fourth of July doing in K-1 and Colony Park is Judge William Beasley, Oakland County Circuit Judge.

His words too may make an impact on our community as a whole!

IN THE lighter vein, there are many who for, one reason or another, do not have a Scout in the family. It doesn't make any difference one way or the other, except that they are missing the tasty treats called "S'mores", and they shouldn't any longer.

What are those things called "S'mores"? They are a tasty little morsel to top off your Fourth of July with — like fireworks!

When you have the old or new barbecue grill going and you've done your bit with the

Three Elected At Girls' State

FARMINGTON Three Farmington residents who attended the recent American Legion Wolverine Girls' State at the University of Michigan were elected to various offices.

Carla Campbell of 24180 St. Mary's Court, sponsored by the American Legion Auxiliary Unit 346, was appointed director of public works and a member of the county board of supervisors.

She ran on the "Nationalist" ticket and won a seat in the state house of representatives.

Vicki Campbell of 33829 Glenview, sponsored by the Farmington Jaycee Auxiliary, served as chairman of Gilman City and was on the county board of supervisors.

Margaret King of 32030 Valley View, sponsored by the Kiwanis Club of Farmington, was co-chairman of Albers City and was nominated for secretary of state of the "Federalist" party.

KEITH DEACON, general chairman, asks the public's cooperation in keeping sparklers and firecrackers away from Wooddale School.

"The unauthorized possession or shooting of firecrackers is a crime in Michigan, and in a crowd, anywhere, it is dangerous," he says.

"It is hoped that community attitudes will reflect the law's concern and that we don't have to wait until some little tot loses his eyesight or some little girl receives an ugly scar to carry with her for the rest of her life."

Deacon announced the following list of workers who have assisted in this year's festivities:

Bob Smith, deputy general chairman; Robert Nelson, treasurer and consultant; Joe Ziska, financial drive chairman; Nelson, publicity chairman; Jack McMann, equipment chairman; Charley Owen, grounds chairman; Jan Smith, decorations; Andy Anderson, parade marshal; Deacon, morning program; and Dick Leiter, afternoon program.

Deacon is still looking for volunteers for souvenir report writer, youth chairman and evening program chairman.

Mallion On Air

FARMINGTON Richard Mallion of 26560 Springfield, Farmington, a student at Farmington High School and a ham radio operator, participated June 22-29 in the Amateur Radio Relay League's nationwide radio exercise in maintaining radio communications during a crisis situation.

Gas Yard Lamps
and Gas Grills
AVAILABLE
For Immediate
INSTALLATION!

Gas Grill...

For those who love the outdoors and gracious patio living, the gas grill is the modern way to enjoy outdoor cooking at its best. This new method of barbecue cooking gives the flavor of charcoal without the muss and fuss. Gas offers a full range of heat from high to low. Cast aluminum construction makes the gas grill virtually weatherproof.

Consumers Power

Gas Lamp...

Extend your hours of summer fun with a gas yard lamp. A gas lamp lends a soft glow to patio or yard, repels insects, makes walkways safer, and discourages prowlers. Made of cast aluminum with black finish, the gas lamps are topped by graceful eagle finials. "Snug-Fit" windows allow complete cleaning without a tool.
