

Buy Bond's \$15 Clothes This Spring

Take advantage of the saving you most certainly can make by purchasing Bond's \$15 clothes. They are the equal, right down to the last stitch, of the values offered by retailers everywhere for many dollars more.

Selling Direct Means Selling for Less

—not less style, or less quality, mind you—but less selling expense, makes Bond's clothes cost you less. It isn't necessary to cut the quality to cut your cost—as we have proved beyond question of a doubt. It's summed up in a few words: We sell direct to the wearer.

Try the Comparison Test

We don't expect you to take anything for granted. Fact of the matter is, we would rather have you make us prove our statements. We would rather have you compare Bond's \$15 clothes with the regular \$25 values shown elsewhere. We stake our reputation on your judgment. But we have confidence enough in our merchandise to know, if you're fair with yourself, you'll buy Bond's clothes.
