TIRE OF LIFE Constant Backache and Rheumatism

Foley Kidney Pills fixed up Texas brakeman
to his good as ever.
Almost down and out with kidney
trouble. Rheumatism so bad he could
scarcely get up when he had to
back ache all the time.
No wonder Mr. F. A. Woolley, brakeman
on the road from Dallas to Jack-
son, Texas, was tired of living.
"I saw Foley Kidney Pills adver-
tised," he said, "I took some and after
a short time I was thoroughly cured
and am having no more trouble.
Your Kidney Pills will disappear
and with them the backache and rheu-
matism by the use of Foley's Kidney
Pills. Give them to your kidneys be-
cause strong and active, aches and pains
will disappear like magic.
There's nothing to equal the genu-
ine. Will help any case of kidney or bladder
trouble not beyond the reach of medicine.
Obtain to bacterial drugs. Try them."

with the flag.

The Circuit Judgeship.

Few men, who aspire to the
Circuit Judgeship, in point of
professional training covering a
period of over twenty years, to-
gether with his official work,
which has had to do solely with
legal training and experience,
are better equipped than Judge
Rockwell.

In addition to his being one of
the active members of the Oak-
land County Bar, he has served
the people of his County as Pro-
secuting Attorney for three terms.
Was an active member of the
Constitutional Convention which
drafted the present State Consti-
tution, and is now serving his
ninth year as Probate Judge.

Much to his credit, which speaks
well for his legal ability, not a
case was ever reversed by the
Supreme Court during his tenure-
ship as Prosecuting Attorney, or
of the many thousands of decrees
and decisions he has rendered
during his Judgeship of Probate
Judge.

With over twenty years of ex-
perience of this kind covering all
phases of legal practice, combined
with a legal mind, absolutely fear-
less, but considerate at all times,
with the strictest integrity, and
in the prime of life, we commend
him as our next Circuit Judge—
Oxford Leader.
