From Our Own N. Y. Factory Direct to Detroit Men

We are primarily manufacturers; we sell through our own outlet stores, so we save a tremendous amount each year by being able to do without road salesmen. We save thousands of dollars by selling for cash only. We also eliminate from your cost the retailer's charge for profit and expense. Now you can realize why selling direct means selling for less.

Quality! Quality! Quality!

The extraordinary value in Bond's \$15 Clothes is apparent the moment you see them. We don't have to argue you into buying, for it is self-evident that Bond's clothes equal the retailer's regular \$25 values. This isn't *theory*, it's *fact*. We want you to *compare* Bond's clothes with any \$25 line in the city. We leave the actual buying up to you. But we know your own good judgment won't allow you to pay \$10 more than Bond's price when that extra ten buys no more quality, style or satisfaction.
