Don't Cough All Night
 It wears down your strength, racks your nerves, keeps yourself and all your family from sleeping. Besides, you can easily stop it with
Foley's Honey and Tar.
 A standard family medicine of many years standing for influenza, colds, coughs and colds, tickling throat, hoarseness, stuffy, wheezy breathing and for croup and whooping cough. Its effect on the inflamed lining of the throat and air passages is quickly felt and very soothing. E. C. Foley, Paoli, Ind., writes: "I coughed continually and at 4 o'clock each night. Foley's Honey and Tar relieved me, and one bottle cured my cough entirely."
