Buy All You Can--and Do It Now

To Maintain Our Quality We Must Raise Our Price.

WE positively will not break faith with our thousands of patrons by lowering our standard of quality. It is Bond's Quality at Bond's Price that has made this business what it is today, and we are going to continue to grow and continue to lead, by continuing to give you the best that can be produced at the price we ask. Would you not rather pay more and be sure of getting the same quality, than pay the same and have to take an inferior grade?

Here Are the Facts— Read Them:

Today woolens are selling up to 100% higher than a year ago and are scarce at ANY price. No one knows where the price will go in the next six months.

Add to this the raising cost of labor, of buttons, trimmings, linings—in fact everything that goes into the making of a good suit or overcoat.

Even with nearly our profit given up to you, we must advance the price to maintain the quality.

Bond's \$15 Clothes

Advance In Price September 1st

All merchandise now in process of manufacture will be sold at present price; this will last until September 1st. After that the increase. We are giving you fair warning; profit by it.

Buy Bond's Clothes at \$15 While You Can, Stock Up Now

You can still select your choice of the entire stock at the present price—\$15. Buy what you need now and prepare for the future; get in ahead of the price-increase. This may seem like taking money out of our own pockets, but we owe you this courtesy for it is you who have helped us to success and we want you to profit as much as possible.
