Cold Settled In His Back

"Foley Kidney Pills always give me prompt relief."—Ed. Valton, Rogers, Neb.

Ed. Valton, of Rogers, Neb., writes: "I have used Foley Kidney Pills for backache the result of a cold which settled in my back."

The reason Foley Kidney Pills act so satisfactorily is because they neutralize and dissolve the poisonous waste matter that remains in the blood because the kidneys do not do their work properly in filtering and casting out from the system uric acid and other poisons.

Half a bottle follows a few days, and such symptoms as pain in the sides or back, stiff joints, sore muscles, rheumatism, and the action of the bladder at night, and other painful and annoying conditions disappear. Foley Kidney Pills contain no harmful ingredients. They are safe as well as quick acting.
