## Neighbor Told Her

### Cure for Lumbago

Rheumatism and lumbago are awful  
things and cause great pain and mis-  
ery, but Foley Kidney Pills can root  
them.

Mrs. G. H. Eweland, Duncan Mills,  
Ill., writes the following letter:  
"I was stricken down with lumbago and  
was unable to turn myself in bed. A  
neighbor brought me a half bottle of  
Foley Kidney Pills, and said she had  
been similarly afflicted and that they  
had helped her. So I tried them and  
was completely relieved by the use of  
two or three bottles. I have had  
splendid success with them and have  
never known them to fail. I most  
heartily recommend Foley Kidney  
Pills."

Foley Kidney Pills tone up weak,  
inactive, sluggish kidneys, rid the  
body of poisons, give appetite, energy  
and refreshing sleep after pain. Do not  
neglect kidney trouble. Remove this  
cause with Foley Kidney Pills.

## Unequalled Entertainment Features Every Day of the Big Annual Exposition

There will not be a moment's delay in the succession of thrilling  
and interesting amusement numbers which make up the entertainment  
program of the Michigan State Fair this year.

Thousands of dollars have been spent in bringing these remarkable  
entertainment features together, forming the greatest array of exhibition  
and platform talent ever gathered at a State Fair.

Fast Harness Horse Events

Wild West, Horse Show, Midway,  
Fireworks are Daily Features

Two of America's most re-  
nowned masters of aviation—  
Ruth Law, the only woman mili-  
tary flyer in the United States;  
Louis Gertonson, most daring  
army aviator in this country—  
will be seen in day and night  
aerial exploits never before ex-  
hibited. These reckless flights  
are a revelation for there is noth-  
ing known to aviation that is un-  
tried by these experts of sen-  
sational performances in the air.

Five-minute averages will  
fade into insignificance when  
Clark, Klein, Horey and others  
strive to wrest the dirt track  
championship from Louis Di-  
brow in the speed carnival at  
the opening of the big annual  
exposition, Saturday and Sun-  
day. Trotters and Pacers from  
all parts of the U. S. and Can-  
ada will be entered in the pro-  
gram of harness horse events  
which will feature the Fair this  
year.

A true picture of frontier life  
is presented by California Frank  
and his company of 35 people  
in realistic Indian light, rop-  
ing, shooting and rifle ac-  
t. Thoroughbred riding and driving  
animals are entered in the eve-  
ning horse show. Wholesome  
amusement for young and old,  
in Johnny J. Jones' superior  
Midway Attractions. Patriotic  
fireworks close the Fair pro-  
gram every evening.

All these are in addition to immense exhibits of farm produce, live stock  
and mechanical farm helps. Valuable educational suggestions are offered  
in the Child's Welfare Exhibit, Boys' Live Stock Judging Contest, Girls'  
Canning Contest. Better Babies' Exhibit, Boys' State Fair School and Girls'  
Milking Contest.
