## New Years, 1918

Economy, as well as comfort and convenience, calls for an increased use of electric devices in the home the coming year.

## SAVE YOUR MONEY

Your time and your labor by using electric domestic appliances.

The Detroit Edison Co. Farmington Michigan

The annual reunion of the Sessions family was held on New Year's day at the home of Earl Banks at Novi with about fifty in attendance. This family reunion is rather unusual in that it has been an annual event for fifty-seven consecutive years without a break. Of the original members only five are left—Mr. and Mrs. James Phillips, A. O. and Willard Bowen and Mrs. Banks of Novi—and Mr. and Mrs. Phillips have been present at every one.—Milford Times.

The liners are money getters. Try them and see.

## Here are Our PRINCIPLES For conducting business

Workmanship the best  
Materials of the best Quality  
Courteous Treatment for all  
Cleanliness Beyond Question  
Best Quality in Everything  
Prices that Please

"No one ever takes offense at cleanliness and quality"

## Cook & Co.'s Motto:

To serve when called is good. To find ways to serve between calls is even better. It is the unexpected service which pleases most—even though very often of a trivial character. There are certain things which people expect; their presence occasions no comment, their absence a kick. But the service which anticipates and supplies little wants seldom fails of generous appreciation. "SERVICE, AND QUALITY" will be our motto from now on. COOK & CO.
