To Well and Strong**Try them. Foley Kidney Pills will  
do for other men and women what  
they have done for Mrs. May  
Crawford.  
"Last year, I got almost down with  
my back," writes Mrs. May Crawford  
of Gainesville, Ga. "I was  
lame from inflammation of the bladder,  
and whenever I stepped down  
I grew worse. I tried Foley Kidney  
Pills, and after taking three boxes  
my bladder action became regular and  
the irritating sensation disappeared.  
I am now stronger in my back than I've  
been for several years, and since get-  
ting well, I've stayed well and had  
no return of the trouble."  
Start in now to use Foley Kidney  
Pills. You will feel improvement  
from the very first dose, showing  
how quickly they act on kidneys and  
bladder. They stop irregular urina-  
tion, ease pain in back and sides,  
link-up stiff joints and aching muscles.  
They put the kidneys and blad-  
der in sound, healthy condition. Try  
them.

many Mean to the U. S.?**

By Agnes Repplier

It would be well if every American would dis-  
possess his mind of two popular and pleasing fallacies.  
First, that the United States took up arms as a knight  
errant to right the wrongs of France and Belgium.  
Second, that our impressive entrance into the war  
must inevitably, and of itself, decide the issue. We  
are fighting as a free people for our own safety, and  
we must fight hard and well, or suffer shameful de-  
feat. Germany denied us the seas because she thought  
we would accept our fate from her hands. She per-  
mits herself now a profound contempt for our army.  
Untrained men with defective ammunition are about  
as terrible in her eyes as prairie dogs would be in ours.  
She boasts happily that we will pay her the indemnity  
which is essential for her reconstruction.Meanwhile, to make sure of our downfall, she  
plots treasonably in every state in the Union. Per-  
haps, if she wins the day, she will recompense such  
men as Senators Stone and LaFollette, and Mayor  
Thompson, of Chicago. More likely she will fling  
them on the scrap-heap. But loyal Americans may  
well understand that unless this nation puts forth all  
its strength, without reserve, without fatigue, without  
self-pity; unless we crush the traitors at home, and  
defeat the enemy abroad, a bitter future awaits us. At  
best, we shall be humiliated, impoverished, and crip-  
pled in our foreign trade for many years to come. At  
worst, we shall see in our land the blazing homes, the  
ravished women, the butchered children, the unuttera-  
ble shame and horror which mark the wake of a Ger-  
man army of invasion.
