Games were played, refreshments served and a general good time enjoyed by all. Alfred received a number of pretty and useful remembrances of the happy occasion.

Patriotic entertainment given by home talent March 1st and 2nd.

**Why Kidneys Kill**

Because they are diseased. Two small active kidneys are necessary for sound health. They must act as filters, cleansing the blood of the poisonous waste matters taken up in the course of the body.

When the kidneys are sound and active they do their filtering work perfectly. When they are weak and diseased they fail to do their task, and the whole human body suffers from this poisonous blood.

HOLEY KIDNEY PILLS are just what is needed to make over weak, ailing, aching kidneys into strong, healthy, active ones.

Start taking Holey Kidney Pills today, and backache, lame back, stiff swollen joints, dull weary head, and tired-shorter feeling will quickly pass away. Recurring kidney and bladder troubles, chronic blood, and kidney, and no more dull weary, aching or yearning throbbing joints.

For Sale by F. H. McGee

**Probate Order**STATE OF MICHIGAN.  
The Probate Court for the County of Oakland.

At a session of said court, held at the Probate Office in the City of Pontiac, in said County, on the eleventh day of February, A. D. 1918.

Present: Hon. Ross Stockwell, Judge of Probate.

In the matter of the estate of Jane A. Connors, deceased.

The court, after hearing the petition of M. Pierson, daughter of said deceased, and her husband, and their petition, praying that an instrument filed in said Court be admitted to Probate as the last will and testament of said deceased, and that administration of said estate be granted to herself or some other suitable person.

It is ordered, that the Ninth day of March, A. D. 1918, at 10:30 a. m., at said Probate Office is hereby appointed for hearing said petition. It is further ordered, that public notice thereof be given by publication of a copy hereof for three successive weeks previous to said day of hearing, in the Farmington Enterprise, a newspaper printed and circulated in said County.

are going to be called upon to fill war orders—war orders for food

We all realize the necessity of increasing production to the very limit, in order that the war may be brought to a more rapid and successful conclusion.

**Good Farm Buildings are Important to Farm Production**

They increase the market value of your farm, and prepare for a greater production of Grain, Hogs, Beef, Milk and Eggs, at such prices as have never before been known in this country. And the interesting feature is that you can relatively build more cheaply now than ever before.

**Lumber is not High Farmers can Build more Cheaply Now**

than they could three years ago, because prices of Lumber have not kept pace with advances in Farm Products. The visible assets of a farm are: A Good Barn, up-to-date Hog and Poultry Houses, Implement Sheds, Milk House and Garage. Mr. Farmer, now is the time to build, before scarcity of labor and materials force another advance upward. Lumber prices must eventually rise to the level of other staple commodities.

**Take Advantage of Present Stocks of Lumber Available and the Price of Same. When Compared with your Products—the Balance is in your Favor.**

Put your farm on a business basis as well as a war basis by building now. Let us help you. To the man who has a desire to build and own his home, we can only say,

**BUILD NOW, AND BUILD WITH LUMBER**

Our services are at your command, and we are always willing to offer suggestions in selections of materials and plans pleased to figure on your requirements this spring; We have large stocks of the following materials, and will be

Red Porus Drain Tile, Sewer Pipe, Brick and Chimney Linings, Lime, Cement and Wall Plaster, Red Cedar Shingles (Extra Clear), Red and Green Slate Surfaced Shingles, Roofing Papers and Tarred Felt, Cedar Fence Posts, Ladders (Straight, Extension and Steps), Yellow Pine Dimension, White Pine Cornice Lumber and Barn Siding, Sash, Doors and Interior Finish, Oak and Maple Flooring, Fir Flooring, Ceiling and Columns for Porch Work.
