Girl's Statement Will Help Farmington

Here is the girl's own story: "For years I had dyspepsia, sour stomach and constipation. I drank hot water and olive oil by the gallon. Nothing helped until I tried the Little's Pink Pills, etc., as mixed in Adler's. ONE SPOONFUL helped me INSTANTLY. Because Adler's flushes the ENTIRE alimentary tract, it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICK-EST action of anything we ever took." T. H. McGee.

SINGING THE WAY TO WAR SAVING

Two Detroiters Create the Official W. S. S. Song in Their "Dress Up Your Dollars in Khaki."

One of the greatest aids in bringing home to the people the necessity for marshalling their small change in the coffers of the government for a successful termination of the war, according to the national war savings committee is the new war song hit, "Dress Up Your Dollars in Khaki and Help Win Democracy's Fight."

Both words and music were written by Detroiters, the lyrics by Lester R. Alwood, and the music by "Dick" Whiting, of Jerome H. Remick & Co., creator of numerous other popular melodies.

The song as originally written was intended to be used only in the state campaign. Copies of it, were submitted to other state directors, however, with the result that from Maine to Texas orders for thousands of copies of the song have been sent in to the local committee.

It is planned to have it sung by school children, singing societies and in playhouses and movie theaters throughout the country. In Texas alone, the song will be sung by school children in 30,000 schools.

The song has been written "to a snappy march time music, and the lyrics eloquently express the sentiment which is prompting millions of people to buy the thrift stamps. The lyrics follow:

From lowland and highland,
In your land and no land,
Our warriors are marching away
To join their commanders
In France and in Flanders,
To help the world win in this fray,
But Uncle Sam's calling 'the stay-at-home' too.
For the pathway to freedom is rocky,
So prove you're a soldier by saying—yes
And dress up your dollars in khaki.

CHORUS:
Oh, dress up your dollars in khaki a spell
And help win Democracy's fight.
With your nickels and dimes and your quarters as well.

You can get the whole question right
For the longer is Freedom's defender,
But the shorter is worse of them all.
Let a War Saving Stamp send your money to camp
And answer the President's call.

Sparking of loyalty, your money talks
but it shouts through a megaphone
when turned into War Savings Stamps.
