W C Fields Film Festival

Ah, my little chick-a-dees, anyone who's a sucker for W.C. Fields can't be all bad. And, since CKLW believes in giving you all an even break, we're taking the bull by the tail to bring you all the chugungous chicanery, the rapullitful rascality of that notoriously-noted, ostentatiously-obnoxious funny man.

So, my little Rockie Mountain Canaries, my little Glow Worms, tune into CKLW--The Nine Sport on these symmetrical digit-type dates:

Aug. 1 -- Man On the Flying Trapeze
Aug. 8 -- Mississippi
Aug. 15 - The Big Broadcast of 1938
Aug. 22 - Mrs. Wiggs of the Cabbage Patch

At 11:00 PM, E.S.T. - 12:00 PM, D.S.T.

TV Today

by DIANE DVIO

Weird images are appearing on the TV tube when you tune in to KQED. San Francisco, one of the more adventurous educational stations. The telecasts are sketches or doodles of the electronic art of the future. Artists and technicians at KQED are exploring the potential of broadcast art. The picture tube is the canvas. Moving images are blended many times over on video tape (like making a double-exposure snapshot, only more so), and then sound is added. The result is a flowing video montage — a little like a painting you turn on instead of hang up!

For the largest and finest television sales and service in the area, be sure to come to BEECH TELEVISION, 26158 W. Six Mile Road, Detroit 40. KE 3-2626. We carry Magnavox TVs and stereos exclusively, and we specialize in antenna installations and repairs. Our well-equipped service center is located at 29457 W. Six Mile Road, KE 3-7480 and KE 3-7481.

HELPFUL HINT: Rust spots on painted wrought-iron furniture can be removed by oily furniture polish, such as lemon oil.
