The conversation at a social gathering the subject of the subject of domestic arguments when this story was fitted. The subject of the subject of domestic and the subject of domestic and the subject of the subj

Kept Busy.

Bacon—How many buttons has your wife on the back of her dress?

Eghetr—Gracions! Don't ask me, for I too't know!

"Why don't you know? You've buttoned it up often enough to know, I should think."

"But when I've been buttoning it up I've been buttoning it up I've been buttoning it up I've been buttoning to the limit of buttoning it was to be to busy to count the number of buttons."

Some people make a virtue of necessity as a last resort.

### The Pious Devil

By KATE JORDAN
Of The Vigilances

Since that June day in 1014 when the assastiantion at Sarnjevo gave the German kalier, and the comorants who gatturaled with him over he connell tables, the opportunity for the irine against mankind for which they have had him described, quoted, photographed by the highest near of many yountries—men of about, whose with compile the questions, and the connel be questioned.

connot be questioned.

His vanity is colossal—something to the at. Raymond Hitchcock described k when, as a reason for his having made the war, he explained that "the kaiser was all dressed up with nowhere to go." He is always "dressed up," either as an bussar, an admiral, as this, or that, and lately even as a

kalser was all dressed up with nowhere to 50." He is siwary "dressed
up", "cittler as an hussar, an admiral,
as this, or that, and lately, even as a
Turk. Yes, William Hohenzollern is
"crays about himself." In likes the
way he "curries the dada."
With vanity there is always are rewith vanity there is always are rewith vanity there is always are reto the second of the se

cantic and Hohenzollera reasons.

Vanity, arrogance, treachery and crueity! Surely these are enough of hell to exist in one man. But there is senother, and it reeks from the brew—this is hypocriey.

Yes, this man of lies send transcreed to treat the betrayed Belgians as hycens treates, whose armies were directed to treat the betrayed Belgians as hycens treat the graves they pull to pleces for bones; this killer of bubers in the belgians of the please of the please of the belgians as hycens treated the please of the

Well, in spite of all that he has shought to make solid his loathsome ambition, he is not in Paris. He is in Berlin, or near it, and glad to stay there. He hadn't counted on England—and England's navy bottled up his ports:

He hadn't counted on England—and Configuration and Configu

gained nothing. Instead he has lost MAN SLEEPS WHILE

mande nothing. Inserted the whole world will rise to put him down. Something in the soul of man could not tolerate subjection to anything so visibly monatrous. What will Germany be when the war is over? Industrially and commercially a cripple and a mendicant. And how miny centuries must pass before the German beopie by right living and fair thinking can whe away the stain this jours devil has put upon their name?

#### SLACKERS OLD AND NEW

By CYRUS TOWNSEND BRADY of the Vigilantes.

of the Vigilantes.
The papers chronicle day by day the steady advance of the British solders morthward through Polestine. Their lines extend from the Jordan to the sea and they are alonly but surely driving the Türks before them in this latest, greatest and most decisive crusade.

If the followers of Mahamust con-

driving the Thrise before them in this latest, greatest and most decisive crusade.

If the followers of Mahomet can make any stoad against the followers of Christ it will surely be in the plain of Eadraelon, one of the natural battledelds of the world. It is singular how some pidees lend themselves inevitably to conflict. The plain of Jerred, to give it another name, is constitutionally that the second of these. It has been required the conflict of the plain of Jerred, to give it another name, is constitutionally that the second of the second

Deborah made a great song about the triumph. One stanza runs this way:

"Curse ye Meroz, said the Angel of the Lord, curse ye bitterly the lashelitants thereof; because they came not to the help of the Lord, to the help of the Lord against the mighty."

No one knows where Meroz lay, No; ruined vestiges remain to identify tit. There is no other mention of it in the pages of history. There is no ground even for speculation about it. Yet for over thirty-two centuries it has been pages of history. There is no ground even for speculation about it. Yet for over thirty-two centuries it has been pages of history. There is no ground even for speculation about it. Yet for over thirty-two centuries it has been pages of history. There is no ground even for speculation about it. Yet for over thirty-two centuries it has been paged to the work of the page of the work of the page of the work of the page of th

shall we come to the help of the Lord today, tomorrow and forever, in the igreat condict now, and at all times being waged in Europe and everywhere against sin and the devil; Curse ye Meroz? Non nobis, Domine —Not unto his, Oh Lord!
