OLD MAN HARRIS

Editor of the Oil and Mineral Journal of Billings, Mont., will give you straight "tips" about oil and mining companies to buy, and send you sample copy of his oil and mineral journal for the asking. Scores of his subscribers have made \$100 on a \$100 investment and upwards, by following his advice. Don't buy in any company until you have read his journal. Those who are reliable and those who are not. Write Dur's or Bradstreet's agencies in Billings as to what they think of Old Man Harris and his reliable information to investors.

Every mother knows that coughs and colds, if neglected, may lead to the most dread diseases. Croup, bronchitis, pneumonia and consumption often have their beginning in a slight cold.

The wife never gives

Foley's Honey and Tar
at the first signs of a cough or cold. She knows it stops coughs and cures an inflamed nose and throat, and gives a feeling of warmth and comfort to the sufferer.

Mrs. M. E. Schub, Ashland, Penn., writes:

"The first time I ever tried Foley's Honey and Tar I never tried it again. When my little girl gets a cold on her head, I always give her Foley's Honey and Tar right away."
