

Keeping up with the Joneses this summer could cost you your life.

You know the Joneses.

The family next door. Who always buy the things you plan on getting—just before you do.

This year it's guns.

A shotgun and a .45.

Plus a .22, a .38 Colt and a Four-Ten, just in case.

You know why.

The local authorities just won't be able to handle things this summer. That's what Jones says, anyway.

So you're going to get a few guns.

What are you going to do with them after you buy them?

If your son can find the toys 2 weeks before Christmas, he can find anything you hide. He might even show his little sister.

Look. No one knows what'll happen in the city this summer. Hopefully nothing.

But we all know what might happen

in a suburban home filled with lethal weapons.

All it takes is a sleepy wife.

A nervous neighbor.

A curious child.

And a loaded gun.
