Board OK's  
Land Agent

A land purchase plan for the expansion of Schoolcraft College was launched Wednesday as the Board of Trustees ordered the administration to hire a land purchase agent.

The college will acquire a 100-acre site into a natural site formed by two major roads - including a new freeway.

In a resolution, the Board agreed that there is a "recognized need for the bulk of the property to the south of the college."

The administration was ordered: to begin a land purchase program; establish a budget; and negotiate a contract for an agent.

Play Chess  
With Expert

Simultaneous chess will be in order Aug. 1 and 2 at the Woodland Center when Lawrence Greene, of the Livonia Chess Club, will meet "all comers."

A graduate of Bentley High School, Greene attended Schoolcraft College and is presently a senior at the University of Michigan.

The games are open to the public. Hours are beginning at 7 p.m. on Aug. 1 and at 2 p.m. and 7 p.m. Aug. 2.
