Every mother knows that coughs and colds, neglected, may lead to the most dread diseases. Croup, bronchitis, pneumonia and consumption often have their beginning in a slight cold.

Foley's Honey and Tar at the first signs of a cough or cold. She knows it stops coughs quickly, puts a soothing, healing coating on an inflamed and tickling throat, and gives a feeling of warmth and comfort to the sufferer.
Mrs. M. E. Schilder, Ashland, Penn., writes: "Foley's Honey and Tar is the best cough and cold remedy I have ever tried. When my little girl gets a cold on her chest, I give her a few doses, and it relieves her right away."

Charles M. Cross FOR SHERIFF
At Primaries, August 27, 1918

LOOKING BACKWARDS:
Under my administration of the office of Sheriff for the past nine months we have:

1. Handled over 2000 cases and collected thousands of dollars in fines and costs for the county.
2. Assisted in solving many old crimes, including three murder cases.
3. Organized a systematic system of patrol of country roads by Deputy Sheriffs to check violations of the motor vehicle law.

LOOKING FORWARD:

If nominated and elected Sheriff of Oakland County it will be my ambition:

- First: To secure the office by a clean campaign, based upon my past record.
- Second: To enter upon the duties of the office unhampered by any pre-election promises and uncontrolled by any faction or organization.
- Third: To honestly and impartially continue to enforce the laws of this state and discharge the duties of the office without fear and without prejudice.

Upon this statement I respectfully solicit your support at the primary election.

Charles M. Cross, Sheriff
